

METROSHINE

Security Forces Pvt. Ltd
PROTECTION PREVENTION & SAFETY

A Government of
Maharashtra
Approved Security
Agency

About our Founder

I, Mr. Subhash Sawant have been in the security services business for a decade. My experience showed me that there are specific gaps in the services provided by other Security agencies. This industry lacks Government Office Liaisoning Officers, Mathadi professionals and software automation. So, I founded Metroshine to present the perfect solution this market needs.

**Subhash Sawant
(Founder)**

My Mission

- To Defend and Protect my fellow citizens for external aggression and misfortune.

My Vision

- To make Metroshine the best Security Services providing company in across India.

Our Guard Qualities

- Expertise in online FIR handling.
- Proficiency on the lost and found portal.
- Awareness about police procedures and knowledge about the force.
- Stringent background check on all personnel.
- Our selection criteria for physical strength, stamina and endurance are the same as the police recruitment office.
- Our employees have keen mental facilities and the ability to quickly respond to threatening and unpredictable situations.

Manned Guarding

- We strive hard to hire the best of the available professionals who are uber-class in terms of physical strength and intellect.

E-Security Services

- We are well-versed with the latest security gadgets and technologies to enhance your experience with us. From planning, designing, device procurement, device installation, and testing to maintenance, our team does everything for you.

VIP and Celebrity Security Services

- Special people require specialised treatment and sensitive handling. We have separate SOPs in place, to ensure their safety. The dedicated professionals for VIP and celebrity security are always prepared to handle the threat of any nature and complexity.

Escort Marshall Services

- We provide escort marshal security services where our expert security professional accompanies you during the travel. We take away the organization's major concern of employees' security while on the go.

Event Security

- MSFPV provides the best security services for an event or parties because of our attentive staff and well-trained professionals. We provide an array of services under the category including Patrolling Teams, Surveillance, Crowd Control Administration, Ticket Checkers, Baggage Screening, and Parking Attendants.

K-9 Security Squad

- Our canine unit is composed of specially trained Dobermans, German Shepherds. Our K-9 squad is certified and trained for various security needs, including protection and sniffing.

Security Patrol Services

- We provide 24/7 patrolling services during festivals and gazetted holidays. Upon getting the client's location, we dispatch a highly qualified patrol team for enhanced Security cover.

SMART PATROLLING ANDRIOD APPLICATION

- Native security guard android app
- Enable guards to notify about their patrol tour status
- Ensuring important checkpoints are covered to increase security from threats
- Improved efficiency and productivity of security guards with an easy to use and intuitive interface.
- Gain complete visibility with real time monitoring of security guards using pinpoint location data.
- Capture all vital information on patrolling tours and provide reports to the admin.

Laisoning Services

- We have empanelled a crack team of criminal lawyers and ex-police officers.
- Our professionals stand ready to help you collaborate with entities like government officials, courts, the local police station, and the traffic department.
- Our liaisoning department has proven to be invaluable to many of our clients.
- Liaisoning team ensures that relationship is as beneficial as possible.

Why Choose Us

There are many security providing agencies. But most of them provide only generic services.

On the other hand, at Metroshine, we provide some pretty exclusive value additions. Here are some features that set us - way above the crowd.

- We provide one stop solution which includes handling of complete police liaisoning services, Industrial Relationship Management and Resolving Other issue.
- Security Awareness Program by experts on a biannual basis on topics - Women Safety, Child Safety, Cyber Security and Data Security, House breaking.
- Advanced QR Code scanner system for real time monitoring and surveillance of Guards.
- Need based highly trained Security as per survey and evaluation.

Testimonials

- Metroshine helped Guard my unoccupied plot from illegal encroachment.
- Orchid Digitals.
- Efficient, speedy and flawless service. Metroshine are the 'go to' guys for ensuring the safety of any VIP guests staying at our hotel.
- Sahara Hotels.
- I can definitely say that I'd recommend Metroshine Security Force Pvt Ltd. The team was critical to us dissecting the issues we were having with our past security company, to be able to develop a new security program.
- Spicer Adventist University.
